DESCRIPTION

The Ford Canopy by Aeroklas has been designed to enclose and protect the rear cargo space for Ford utility vehicles. Built for the harsh Australian conditions, Aeroklas canopies are crafted from the innovative dual-skin thermoformed ABS plastic which is painted in OE quality paint. The canopy comprises of various features such as open/closed windows with locks, key lockable tailgate door window complete with and an internal LED light.

The interior offers an attractive textured finish, with no external visible wiring or bracketry. Installation is kept simple with the robust Tub corner brackets and C-Clamp mounting system. Rest assured, your new canopy is backed by Ford warranty.

FORD ACCESSORIES RANGER CANOPY

FEATURES & BENEFITS

› **Rear Door Remote Keyless Entry (RKE)** - For ease and convenience, the rear canopy door locks and unlocks using the standard Ford Ranger RKE fob, with no additional key required. Also features an internal anti-entrapment release handle for safety and peace of mind.

1 › **Dual ABS shell design** - Two Thermoformed ABS Plastic shells (inner and outer) bonded together to form a seamless high quality housing with excellent strength advantage over a single shell constructions.

2 › **High quality design** - Super smooth outer shell and finish. Robotically painted and strictly manufactured to OEM standards. Suitable for the toughest of Australian conditions.

› **Lighting & Electrical** - Centre high mount stop lamp and a dome lamp are standard features.

3 › **Strong & stable** - Unique twin shell construction provides strength and stability.

4 › **Safe & secure** - Key lockable side and rear windows.

› **Environmentally friendly** - 100% recyclable ABS.

› **Window Configuration** - Side windows feature UV tinted automotive safety glass and key lockable twin handles. The tailgate window features tinted safety glass and a single slam lock handle for security. The front internal drop down window is clear to provide easy viewing from within the vehicle, also opens into the canopy to allow for easy access and cleaning.

› **Warranty** - From 1 May 2018, Ford Licensed Accessories are covered by the Ford Express New Vehicle Warranty of up to Five Years / Unlimited Kilometres. Terms and Conditions apply, for full details visit www.ford.com.au/owners/warranties.
