

JUNE 2018

PART NUMBERS

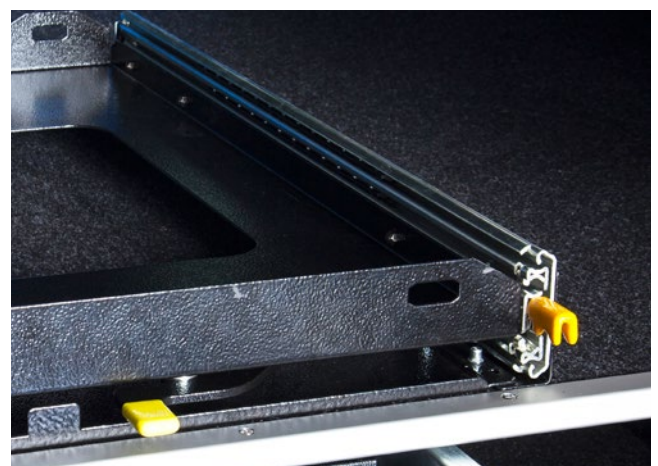

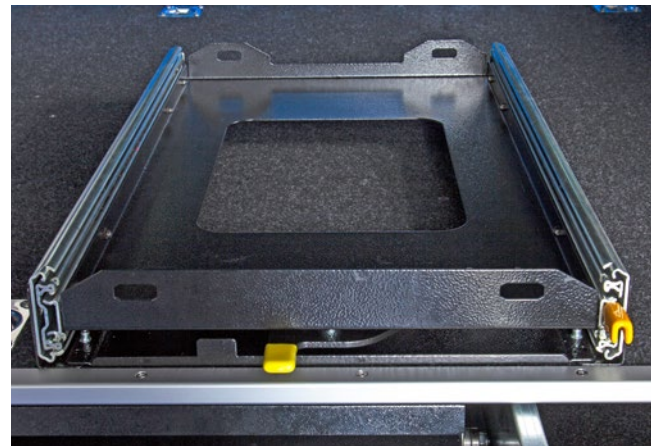

DOUBLE CAB
VGB3Z9955100A

DESCRIPTION

Multi-purpose, free standing slide commonly used to mount and secure fridges (30L – 60L) inside the cargo area.

Made from powder coated steel, with fully adjustable slides that move forward or backwards.

Designed to carry loads of up to 110kg, when mounted on the drawer top.

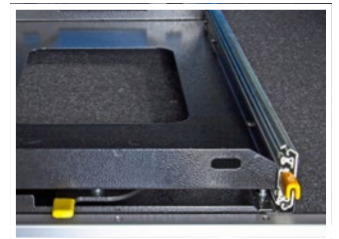

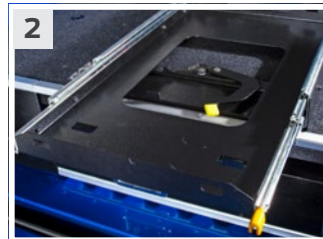

FORD LICENSED FRIDGE SLIDE FORD RANGER

FEATURES & BENEFITS

- 1 › **Patented Travel Lock** - Patented Travel Lock design helps prevent accidental override of the primary side lock during extreme road conditions.
- 2 › **Durability** - Strong steel construction with powder coated hammer tone finish
 - › **Fridge Compatibility** - Suits a variety of fridge brands, generally from 30L - 60L, with maximum dimensions of: (H) 500mm x (L) 705mm X (W) 385mm when installed on top of drawer systems
- 3 › **Load Anchor Points** - Load can be secured via tie down straps, through the tie down points provided.
 - › **Versatile** - Can mount commonly used tradesman tools (drop saws, tool boxes etc)
